Immunization Certificate Course for LPN's Fall 2009

The Immunization Certificate Course (certified by CLPNBC) provides Licensed Practical Nurses (LPN's) and Registered Psychiatric Nurses with the knowledge and skills to become certified in the preparation and administration of immunizations to ages 5 and older in any health care setting.

Camosun is now offering a 2-part delivery format to better accommodate LPN schedules:

1. LPNU 592V is a Self-Study course requiring approximately 6 weeks (40-60 hours) to complete.
2. LPNU 593V is a one-day Lab following the intensive Self-Study. Your instructor will review theory and you will apply practical skills. The CLPNBC certification exam will then be written. Certification is awarded after passing the exam with a grade of 80% or higher.

Register now to begin the Self-Study material. Register at your convenience to attend the Lab/Exam portion of the course. Lab/Exams will be offered three times a year; the next offering is November 7, 2009. Please call 250-370-4578 or email cectinfo@camosun.bc.ca for next available exam dates.

- **Important Note:** CLPNBC requires that LPN's have a **full current license** in order to attend LPNU 593V. Please confirm that your license is current with CLPNBC at 1-888-440-6900 or check www.clpnbc.org.
